## Gabriela Ruffels

### Quick Quotes

**Q. Okay, here with Gabi Ruffels after two rounds at The Standard Portland Classic. Can you just talk about play over the past couple days for you?**

GABRIELA RUFFELS: Yeah, it's been good. It's been solid. 5-under yesterday, 2-under today. The course, if you're not hitting it great the course is super tricky. Yesterday I was hitting it pretty close and making a lot putts.

Today it was more of a struggle. I was 2-over through I think like five holes today. So I'm really proud of the way I fought and was able to get 4-under. (?)

**Q. Yeah. And talk about playing this event after the Europe Swing. What's it like to carry that into this event back in the States?**

GABRIELA RUFFELS: Yeah, for sure. Europe Swing was great. A little bit disappointed with my results, but I always love playing this tournament. I'm glad it was on the schedule this year, you know, and The Standard picked up the sponsorship.

Nike is so close by and I just love Portland. I love the food and I love the culture and the city. Yeah, it's been a fun week.

**Q. You got your brother on the bag again this week. I believe I saw on Instagram a couple posts a while ago about quotes he had said out on the course. Are those still happen thing week?**

GABRIELA RUFFELS: They are. They are. He has some funny ones. Stay tuned. I will be posting tonight some of his quotes. Honestly it's just so fun having him out here. We get along really well. He definitely keeps it light out there, yeah.

**Q. Does he give you any golf advice or mainly to distract you from play? What's the kind of thought process when he's caddieing?**

GABRIELA RUFFELS: For sure he gives me a lot of golf advice, which I don't mind. (Indiscernible) You know, we've grown up playing golf together, so if there was anyone that (indiscernible). I definitely feel like he is more experienced than me. He's been playing golf longer, and he has great golf knowledge, especially about my game. So, yeah.

**Q. But the banter is there?**

GABRIELA RUFFELS: For sure. For sure. He definitely keeps it light out there.
