### Quick Quotes

**Q. All right, here with Sung Hyun after the final round of The Standard Portland Classic. 7-under 65. Talk a little bit about your day today.**

SUNG HYUN PARK: (Through translation.) So I had a really good start. Everything was working in my favor, so was really happy about the front nine.

The back nine there was some misses that happened. I missed a couple short putts, so I feel like they could have done a little bit better there.

**Q. Talk a little bit about that front nine. 7-under through seven holes. What was going on, what was going through your head?**

SUNG HYUN PARK: (Through translation.) I wasn't too focused on my overall score, but was just trying to play my best on each hole. But I was starting to gain confidence that I could go even lower as I was making good play on those holes.

**Q. And then this is your second 65 this week. What about this course has really brought out the best in your game?**

SUNG HYUN PARK: (Through translation.) One of the first things is the course is super well maintained. Overall, it's a very challenging course that suits my eye. I feel like on the greens because they run so true, that if I'm able to just read to correct I feel like the putts will fall.
