### Quick Quotes

**Q. Okay, here with Aditi after the final round of The Standard Portland Classic. 5-under 67. Kind of talk about your day a little bit today. A lot of birdies in that middle stretch.**

ADITI ASHOK: Yeah, I feel like I was hitting the ball really well today; kind of like yesterday. Anywhere I was on the fairway and had good clubs I was able to get them close.

The birdies were tap-ins or kick-ins, so I was hitting the ball really well, and I putted good too. On the front nine I drained a couple mid-range ones, which is good.

**Q. Talk about this week, the course in general. Second in the field in birdies made this week. Really a lot of birdies out there. Talk about what it takes to make a lot of birdies on this golf course.**

ADITI ASHOK: I think it's just about holing the putts. The greens are always fast and true, so I enjoy playing on this golf course. I feel like they're some of the best greens we get all year.

Yeah, as long as I get enough birdie putts I feel like I can hole them. And the greens are pretty small, so I feel like most birdie looks aren't long ones; they're mid or short ones. I feel like that's what worked for me.

Yeah, I think having the venue being one of the longest running venues on Tour, a lot of players know the pins and know the misses, so feel like scoring just keeps going lower every year.

**Q. Talk about right now currently in sixth; going to be a Top 10 finish. How nice is it to see a good week, a Top 10 finish?**

ADITI ASHOK: Yeah, feel like I made a few holes this week where I wasn't thinking smart, but I think overall a Top 10 has been really good. I was not feeling my best this week. I was kind of under the weather the last couple days. So just keeping myself -- keeping the game together and putting together four good rounds. And I feel like I got

better each day, which was good to see for my game. I feel like I haven't done that all year.
