Quick Quotes

Q. Here with Yealimi Noh after her second round here at the 2026 The Standard Portland Classic. Another great round from you today. Couple streaky holes for you. Just talk about what kind of goes through your mind when you're rolling in three birdies in a row.

YEALIMI NOH: Nothing. I mean, I just try to hit the green again and give myself an opportunity to make a putt.

Yeah, it was -- my putting was really solid today, so that was nice.

Q. We've seen a ton of scoring this week already. What is it about this course that makes it so scorable?

YEALIMI NOH: I think it's a little bit on the shorter side and just really gettable with the greens being receptive and the putts being really pure.

Yeah, just hit a lot of greens and give yourself a lot of opportunities I think makes for good scoring.

Q. This is going to sound like a bad stat, but I am going to try and twist it. Only hit six fairways today, but still managed to have the score that you had. What went into that?

YEALIMI NOH: Yeah, driver was a little streaky today but wasn't too far off thankfully, so I was okay in the rough and the pins were still gettable from there.

Q. And then just last one: When you're playing an event like this where you're seeing a ton of low scores, what's it going to take to put yourself over the top and hopefully claim another win?

YEALIMI NOH: Definitely not focus on that too much. Just knowing that there will be a lot of good scores out here, so just try to play the best I can and see where that places me.
