Q. All right, joining us after the final round of The Standard Portland Classic is Pajaree. Really strong top 5 finish this week. Can you just talk about the week as a whole?

PAJAREE ANANNARUKARN: It's been a great overall. I had I would say solid four rounds. Wasn't hitting a lot of fairways on Saturday so make it a bit more tougher to hit the greens and try to make some birdies, but I had a great, great week.

Q. A lot of Thai representation at the top of our leaderboard. How does it feel to have so much Thai support out here?

PAJAREE ANANNARUKARN: Definitely wonderful I would say because so many Thai people showed up this week and just waving and supporting us on the course.

And I think having like a lot of good Thai spot, like Thai restaurant around definitely maybe the secret to our good week here. Because a lot of Thai people doing well, too. I mean Thai players doing well.

It's great to see that we're all like try to climb up the leaderboard and put us in contention. So it's good to see that, yeah.

Q. You and May and Mo kind of paved the way almost for Thai golf on the LPGA. How does it feel to see so many young players like Suvichaya and Jeeno play so well?

PAJAREE ANANNARUKARN: I was once the girl who look up to Mo and May, right, so definitely inspiring.

And it's awesome to see so many great like golfers these days, especially younger generations. Hut and Jeeno has been doing well and just the more players come out, it just feels more home to me I feel. It's more like see similar faces and it just, it's nice to be on the road and having friends, too, so that's nice.
