Portland Classic

Sunday, August 16, 2026
Portland, Oregon, USA
Columbia Edgewater Country Club

Jeeno Thitikul

TV Quick Quotes

Q. Jeeno, winning never gets old. You now with this tenth win in your 99th start; double digits in the win column. You've won in many places, many tournaments. What does this mean winning here in Portland? Pretty amazing crowd out there today.

JEENO THITIKUL: Yeah, it's mean a lot. I would say every win it's mean a lot to the sacrifice that we put in, the work we put in.

I mean, I have a -- you know, it's had a time that I have a doubt like what is going on in my games, and then when you get it you're just like, wow, this is what you're waiting for.

Q. You have always been a premier ball-striker, and for all the players putting is the big difference. How good was your putting today? Six birdies on the front, and eagle on the tenth, and amazing clutch par putt at 16, birdie at 17, and then getting up and in here?

JEENO THITIKUL: Yeah, I mean, like I also had a doubt with my putting as well, I mean in the middle of the season, and then even on the practice round I just -- my caddie has to check on my stroke every time.

You know, it just golf. You never ever, you know, like not too worry about what you doing because like you don't know is it right or wrong. I think when the time is coming you just do it.

Q. Everything seemed right today. What does it mean to you to lead a contingent of great Thai players? Four players from Thailand were in the Top 10. You finished it off. But having them out here celebrating the great golf Thailand is playing these days.

JEENO THITIKUL: Yeah, like we have a lot, a lot of talented players, and then I definitely believe that we can be on the top of the leaderboard. Not just me, but all the Thai players that we got out here. It just matter of the time, and that I just really want to inspiring the next generation of Thai as well.

Q. Great mentor, great leader. Congratulations on win No. 10 here in Portland.

JEENO THITIKUL: Thank you.
