Quick Quotes

Q. Joining us after the final round of The Standard Portland Classic is Chanettee Wannasaen. You had a bogey-free 63 today. What was clicking and going right for you out there?

CHANETTEE WANNASAEN: I think today is just like the day like I know that I can make putt, and when I miss the putt I can chip in.

Actually today is not like a perfect day. I didn't hit like driver that good. I didn't hit like approach shot like that good. I mean, like it's good but it's not like perfect shot.

But today I would say like, you know, it kind of like the momentum is like the year I won. It's kind of like feel like that. Like if I make it, I make it. If I feel like I'm not going to make this one, it's miss.

But today is kind of like the year I won, yeah.

Q. What is it about the final round here? Do you feel like you just play really aggressively or...

CHANETTEE WANNASAEN: First four hole I'm not going to say I'm play like aggressive. After I look at the leaderboard it's like four shot behind or something, and then after that I would say like I play aggressive, yeah.

Q. There are a lot of Thai players right now in the Top 10. Arpichaya, Jeeno, Pajaree, and you Suvichaya. How does it feel to have so many Thai players playing so well right now?

CHANETTEE WANNASAEN: Actually I say feel good. (Laughing.) Because actually we, you know, like Thai people really close. We like to talk, like to hang out together.

I would talk at that Jeeno many time. I talk it Arpichaya many time. I stay with Suvichaya this week in the same house, like really close. I'm really happy like when I see like them play good. Like, you know, because I know like they went through -- like sometime they feel like burnout, same exactly me, but we keep going, keep going.
