Q. Grace, fantastic following again today; another super round of golf. Could have been a little bit lower. What are your keys to playing this golf course.

GRACE KIM: I mean, I know how hard this golf course can be, especially when the wind picks up. Very strong finish on 18, so I just wanted to make sure I hit a lot of fairways and greens.

And, yeah, it is nice to be able to kind of put some close and make the birdie putts. I think that definitely helped.

Q. Talk about that second shot on 18. I know you said it's a little scary. What goes through a player's mind standing over that shot and having to wait to play it?

GRACE KIM: Yeah, it's tough. You're just kind of building time to have some negative thoughts creep in. I guess making sure I'm really just dialed in on my process, and, yeah, really just committing to the shot and what I have. I had a like a hanging lie, left-to-right wind, water in front. So, yeah, just making sure I block all that and really trust myself.
