Quick Quotes

Q. Joining me here today after the second round of The ANNIKA driven by Gainbridge at Pelican is Haeran. Good round today; 2-under par. Could you just take us through it?

HAERAN RYU: Yeah, I think my score is not bad afternoon tee time, but today's shot is so good but I missed a lot birdie chance, so I feel it's not good right now.

But I want to do more patient for two more days.

Q. You mentioned you had an afternoon tee time today. How did the course play differently compared to the morning yesterday?

HAERAN RYU: I think the green is pretty good today, this week, but afternoon tee time has to be a little bit more bumpy greens so that's why I missed putt a lot today.

But I learned today and I want to go for it for tomorrow.

Q. Yeah. Again, as you're looking ahead to the next two rounds what's going to be your focus?

HAERAN RYU: Yeah, I just think now it's pretty good, so I just want to more enjoy and I don't want to do more stress for my golf.

That's it. That's is my goal for this week.

Q. Two of your three bogeys have come on No. 8. What is it about No. 8 that makes it troublesome?

HAERAN RYU: That hole is short par-4 but green is little steep and every day just little hurry breeze.

But yesterday I just got on the green but I miss it -- I just hit it far for the first putt, but today it's little different. Today my shot make some a lot back spin so that's why my ball is come back again for the fringe.

And, yeah, I got a pretty good chip shot there, but just past the pin is not good that green, so I just missed the first one so that's why I had a bogey today.

Q. Still like your position going into the weekend?

HAERAN RYU: Yeah, so also enjoyed today.
