Q. Here alongside Brooke Matthews who put together a really good round of 6-under par today. I know you're a bit frustrated with that finish. Did you start to feel it a little bit there on 16 tee?

BROOKE MATTHEWS: A bit. Honestly didn't really love how I drove it all day but I was kind of getting away with it. Got a little quick; went left.

I mean, I think I made 11 birdies, so it's like how upset am I going to sit here and be right now. It is what it is.

Q. What does it say about the way that you're playing with the good moments that you had today?

BROOKE MATTHEWS: Yeah, I mean, obviously I have a firepower, so we'll see what happens tomorrow. Yeah, it's a tough golf course. You miss one a little bit and you're in a position tough position. This 18th hole might be the toughest one we have on Tour all year.

Yeah, it's good to know that I can do it. Just got to keep putting birdies together and you never know.

Q. Looking at the Race to the CME Globe, looking at that top 100 mark and also the top 60 to get into next week's CME Group Tour Championship. Have you been following that? Do you know where you stand and what maybe you need to do this weekend?

BROOKE MATTHEWS: Yeah, I have an idea, but I made the decision going into this week that I would be okay with both outcomes. You know, putting the extra pressure on myself isn't probably going to help me play well. I've had really good year. If you would've told me at the beginning of the year I would be where I am I probably would've taken it. Yeah, just cool to have a chance.
