Quick Quotes

Q. Joining me today after the third round of The ANNIKA driven by Gainbridge at Pelican is Linn Grant. Linn, solo leader right now. Talk about your round today and how you're managing going into Sunday being the leader.

LINN GRANT: I'm sitting in a very uncomfortable but very nice spot. I think tomorrow I'm just going to go out and kind of try to do the same. Trying to think that anything that happens is meant to happen and hope that I do play well and that nobody plays too well I guess.

But no, just go out and have fun and do what I've been doing so far. Hope that that puts me on top of the leaderboard.

Q. No bogeys today and 18 birdies across the first three rounds. How have you been managing this course?

LINN GRANT: Well, I really like this course. I think it suits my game very well. I'm hitting the ball very good, especially into the greens, so I am hitting a lot of greens and giving myself a lot of opportunities.

So I think out there today I feel like I could have had a couple more birdies, which is a very nice feeling.

Q. You've hit nearly every green in regulation across three rounds. I think you've only missed three total. Is that something you always succeeded at, or is that something that's exciting for you this week?

LINN GRANT: I would say my iron game is very strong in general. I don't know, I think this week like knowing the course and feeling comfortable with it and not being too aggressive when I don't have to, I think that has helped me.

And now I really like the conditions of the green because if you hit a good shot it's going to be where it lands sort of

and makes it a lot more fun.

Q. Are you typically a pretty good frontrunner on the final day?

LINN GRANT: I don't know. We'll see. I think my record is pretty solid. I would say out of the wins I've had I've been leading going into the last day.

But anything can happen. I'm expecting other players to play well and thinking that I need to up my game and do at least the same as today.

Q. Didn't have chance to look it up, but when you won Dana was that from the front or from behind?

LINN GRANT: Yes, I think I was leading the last day, yeah. Yeah.
