SEI YOUNG KIM: I think I feel I got good feeling, because I wasn't good shot striking ball the last week, but I try to figure out. I got something in there, yeah, I was able to play, yeah, very solid this week.

Q. You hit just about every fairway. There were a couple missed cues there at 9 and 17. What will you try to do to correct those?

SEI YOUNG KIM: I was worry about left side, so at the impact moment I little pushed it and that's why my ball go almost -- the hole 17 almost got to the hazard, but it safe. Luckily. Yeah, lucky, was lucky.

But yesterday was in the hazard hole 9, so I just try to make just bogey. I think bogey is a good score, yeah, after in the hazard.

Q. You're a major champion; defending champion this week. Anybody who watches you knows how aggressively you like to play. How important will it be for you to maintain that aggressiveness tomorrow?

SEI YOUNG KIM: Well, my position is really good chance to the chase the everything. So, yeah, I don't have any the defend champion, so it's really -- if I play well tomorrow, yeah, good chance to everything. So yeah, I just keep doing.

Q. Just quickly, are you smiling because you're in the lead or because you're in Naples in the warm weather? What's better?
