Quick Quotes

Q. Very bunched up score up there. One 6-under par and the rest are all 4-under, so it was a very round of golf. How do you feel about that?

BROOKE HENDERSON: Yeah, I'm happy with 4-under, happy to be in the mix. It was a great group playing alongside Grace, and she played really well too so I feel like there was nice energy; just trying to match each other with some birdies.

Definitely a bonus to get that one to fall on 18 and hopefully just keep that momentum going the next few days.

Q. Exactly. And this isn't your first rodeo. You've been here plenty of times. The course is definitely playing different than it has before. I feel like just having been here a lot and having seen the course helps you a lot, even if it's playing longer, and to know where to hit it (indiscernible) some really smart play. How do you feel like your experience here is also helping you to play some good golf?

BROOKE HENDERSON: Yeah, I'm really grateful to have the opportunity to play here a bunch of times. I love this golf course. Some holes you can definitely be aggressive and make a lot of birdies which is really fun. And then other holes you kind of have to play smart and make your par.

I feel like I kind of figured out which holes are which, which is good. Hopefully just lots more birdies this weekend.

Q. One last thing. A lot of Canadian fans out here. It was pretty loud; really cool. Is that helpful?

BROOKE HENDERSON: Absolutely, yeah. I'm really grateful for all the fans that come out especially to this event. They all cheer very loud and very supportive.
