Q. Based on what some scores were ahead of you in the day, do you feel like you got the most...

CHARLEY HULL: No, just didn't drop any putts today, which is a bit frustrating. Played pretty decently, and 18 was a good hole today to finish on, so pretty happy. I am going to go and hit a few balls now and then (indiscernible)

Q. Anything you're going to dial in for the final round?

CHARLEY HULL: Just kind working on just my irons and (indiscernible)

Q. So right off 18 green (indiscernible) representing St. Jude. She was so excited to meet you. Those little moments, they have them at every tournament, but what did that one mean to you in particular?

CHARLEY HULL: Yeah, it was really cute. I gave her one of my markers. Yeah, bless her. It's just nice how they invite everyone, make them feel like they're special. It's pretty cool. (Indiscernible.)

Q. These ball markers are really cool.

CHARLEY HULL: Yeah.

Q. When did you come up with them?

CHARLEY HULL: I've had them for quite a few years now. They're just like me, but I used to wear the visor back then so that's why it's got the bun at the top, but loads of kids like them so I always give them to them.
