Quick Quotes

Q. Luna, let's break down this second round here in Hawaii. You got off to a fast start on your front nine. Take us through some of the birdies.

LUNA SOBRON GALMES: Well, my game now is really good. I make a lot of birdies in the first round, so I'm very happy. Well, I feel very confident so I am just thinking enjoy it.

Q. What do you like most about Kapolei Golf Club?

LUNA SOBRON GALMES: Wow. I think is very -- the game is very adaptable for on the course. So the greens are very small but there are a lot of slopes and you can reach the par-5s, so I think you can have a low scores, and beat this course.

Q. How much are you enjoying your first two days here?

LUNA SOBRON GALMES: Wow. I think I get in the field the last minute so I'm very happy to be here. I think I have an opportunity to play and be in the weekend so, yeah, is amazing.

Q. Not only playing the weekend, Friday and Saturday, but in contention. What are you working on in your game that has brought you to this point?

LUNA SOBRON GALMES: Well, the one month ago I did (indiscernible) so I change all my shaft. I was using -- now I am using graphite irons, graphite shafts, and before I was using -- I don't know the name, the other one, the opposite.

So the long game is very good, and I was working on my putter. So I made a lot of putts and I'm very happy.

Q. I know you have someone special on the bag with you this week that usually is on Gaby Lopez's bag. What has that been like for you this week?

LUNA SOBRON GALMES: Well, he give me a lot of confidence, so it's a plus to have him on my bag. So I'm

very happy to spend this week with him.

Well, we'll see. The weekend, two more days, and enjoy.

Q. What are you going to plan on working on as you head into Friday and Saturday? In your game, what do you plan on focusing on?

LUNA SOBRON GALMES: In my putter, I think. I think make a lot of putt. That will be the key.
