### Quick Quotes

**Q. All right, nothing like staying cool, calm, and collected on moving day there move up the leaderboard. How are feeling after day three?**

LEXI THOMPSON: I feel pretty good. I played well overall this whole round. Had one bad tee shot on the final hole which set me up -- I still had a par putt, but put me out of position.

I hit it great all day and made a few good putts, so overall just going to try to take that into tomorrow.

**Q. Also, being able to stay consistent out there, you did have some birdies and the eagle. Take us through the eagle there.**

LEXI THOMPSON: They moved the tee up about 100 yards for us so I had driver pitching wedge and hit it to about five feet and made it.

**Q. Awesome. With you coming back to Hawaii, what do you like most about getting used to Kapolei Golf Club this week?**

LEXI THOMPSON: It's my first time playing here. I know they played it previous years here, but I just love Hawaii. I mean, I don't get to go to the beach as much as I would like to when I'm here, but it is what it is.

Golf course is in great shape for us and it's just beautiful to be out here.

**Q. Definitely some gettable conditions. Was it more gettable today because of that than the last two days, especially with the wind swirling at different points?**

LEXI THOMPSON: Yeah, it's less windy today, but they moved four tees up, so you have to birdie, and if not, eagle. So you definitely have to go low.

**Q. What's the mindset heading into the final day tomorrow?**

LEXI THOMPSON: Well, I have to go as low as I can because I'm going to be quite a few back. I'm going to play aggressive and hope for the best and make as many birdies as I can.
