Press Conference

**Q. I was looking and all the sudden your name popped up leaderboard. That was quite a run of birdies at the end.**

MEGAN KHANG: Yeah, finally made some putts.

**Q. Finally made some putts.**

MEGAN KHANG: Yeah, I made a bogey on 12 and then told Jack, Hey, we've always made birdie after some bogeys, so let's go for it.

Hit a good shot into 13 and then just kind of opened the hole up, took off the lid, and it was fun to see them go in.

**Q. Something change or was it just an attitude adjustment maybe?**

MEGAN KHANG: I mean, we were just trying to stay patient the whole day. It's windy out there and you just really got to take advantage of the good shots you do hit.

The front nine we hit some really good shots. Weren't able to capitalize on them, and just kind of Jack was there to remind me to stay patient; they're going to fall.

I guess after the bogey it was just kind of like, okay, now we really need to get it back. I guess the mentality was a little more aggressive and was like, Hey, let's get after it.
