Q. All right, joining me here today after the first round of the LOTTE Championship is Jessica Porvasnik. Great round today; 5-under. Can you just run us through your round?

JESSICA PORVASNIK: Yeah, it was a great day out there. Hit lots of greens, lots of fairways, and just set myself up for a lot of good birdie chances.

Few putts fell, which was kind of nice to see.

Q. You had a really strong first round at Walmart last week, or two weeks ago I guess. Can you just say if there is anything that's falling into place with your game now or if you feel like there is anything you've been working on that you think is clicking?

JESSICA PORVASNIK: Yeah, definitely got my equipment all in the right spot. I feel like that's really propelled me the last couple weeks. It was a bummer to not play any more rounds, but taking that momentum from that round and putting it into this week.

Q. As you look ahead to the rest of the week, is there anything you want to focus on?

JESSICA PORVASNIK: No. For me, it's just one shot at a time and give myself a lot of opportunities to make birdie and put myself in some good spots and just stay patient out there.

Q. You had an awesome season on Epson Tour last year. Epson tour Championship is taking place this week in California. Are there any words of wisdom or any good lucks to anyone playing in that this weekend?

JESSICA PORVASNIK: Yeah, I think just don't put too much pressure on yourself. Go out there and have fun and whatever happens, happens.
