## HSBC Women's World Championship

**Q. So a really solid round today. You finished 2-under. Can you just talk to me about your round.**

NANNA KOERSTZ MADSEN: Yeah, I had a lot of good drives and a couple good putts here and there. Also not so good stuff. It was a mix. It was a good round.

**Q. And how would you compare it to last year, the conditions in the course?**

NANNA KOERSTZ MADSEN: I like it. I feel like the greens are a little firmer this year. I like that. I like that the weather is a little cooler than last year. But I really enjoyed it, playing this course.

**Q. And obviously it's very different circumstances this year. How is it to be back at Singapore and being able to go out?**

NANNA KOERSTZ MADSEN: It's great. Last year was so sad because it was my first time in Singapore. I wanted to see everything, and you were just in a car looking around. So it's really awesome that we can go have a meal out and just see the city. So that's really awesome.

**Q. Have you done any touristy things yet?**

NANNA KOERSTZ MADSEN: Not that much. We walked around the city a little bit. We're going to the Boat Hotel tonight to see that. But just see the city.

**Q. Thank you so much.**

NANNA KOERSTZ MADSEN: Thank you.
