## Brooke Henderson

### Quick Quotes

**Q. So, beautiful round today. You finished 7-under. Can you just talk me through your round?**

BROOKE HENDERSON: Yeah, it was a good day. I felt like I hit it really well and I gave myself some good birdie looks. It was nice to cash in I guess on five birdies, and unfortunately one bogey.

But, yeah, happy with how I'm playing the last two days. It was a lot of fun playing with Su and Jin Young today, and they both played really well, so that always makes it more fun too. And just excited to play the weekend.

**Q. And are there any holes that really stand out for you?**

BROOKE HENDERSON: I birdied 12 both days, which I actually think could be one of the hardest holes on the course. So it's nice to have two birdies there.

But I feel like the back nine maybe I feel a little bit more comfortable on. So hopefully starting out tomorrow I can make a few more birdies on the front.

**Q. And is there anything that you want to prepare going into the weekend or work on or improve?**

BROOKE HENDERSON: Overall, I mean, I'm happy with how things are going right now. I think just maybe find the strategy a little bit on a few holes, talk to Britt tonight.

But for the most part, if I can continue to hit it pretty well and make some putts, then we'll be in good position.

**Q. And you had a really solid start to the season, you've had some great finishes. Is there anything that you've worked on or your form has changed or anything that you can credit that to?**

BROOKE HENDERSON: In the off-season I really worked diligently with my dad, who's also my coach, and my sister, who's also my caddie, and we just tried to make some improvements in pretty much all areas of the game, but especially on the short game.

And so far it's been paying off really nicely. So it's nice to see when hard work pays off. It's a long season, so it's a nice start, but I hopefully just keep it going.

**Q. I know you said it's long season, but it must be so nice to have your sister with you and your family around. Does it just make it that much more comfortable for you?**

BROOKE HENDERSON: Yeah, absolutely. Having my sister on the bag and traveling with her around the world, it's so cool. We have a lot of fun together.

And then my dad, he comes out to probably 50 percent of the tournaments, maybe a little less. So it's always really nice to have him and my mom come out too. So I love it when we're all together.
