## Hannah Green

### Quick Quotes

**Q. A flawless round today, five birdies?**

HANNAH GREEN: Six birdies.

**Q. Six birdies. Can you talk about what changed from the first couple days? You were playing well, but you've got up the leaderboard.**

HANNAH GREEN: Yeah, I felt like I hit it closer today. And then I kind of holed a couple good putts and then made the hole look a little bit bigger.

But, yeah, had good company. And it was just -- it was a lot hotter today, but I think I was a bit more concentrating on my shot versus the first two days I was still acclimatizing to the weather.

**Q. And was it -- it was your putting that made the difference today?**

HANNAH GREEN: Yeah, definitely. I mean, I hit it closer than I did, especially the first round. But once I finally saw one putt go in, it kind of just gave me a bit more confidence. And we're all kind of playing well, so we're just all feeding off each other.

**Q. And do you think that the -- the pins were quite hard yesterday. Do you feel like they were a little bit more scorable today?**

HANNAH GREEN: I think so. I will also think I hit it in better positions to be able to go to the pins as well. So I feel like everything in my game is slightly improving. It was just the first round I couldn't really put a score together.

**Q. Did you play in Florida at the start of the year?**

HANNAH GREEN: No, this is my first LPGA event of the year.

**Q. So the rest is well and truly off today.**

HANNAH GREEN: Yeah, exactly. I had a couple of events in Australia that I played, but, yeah, this is my first

LPGA event. And I knew it was bound to come, some rust, you know, especially with the heat here. It's hard to concentrate for five hours on the golf course.

**Q. You won in Australia, didn't you?**

HANNAH GREEN: Yeah.

**Q. So you're coming from the tournament being confident.**

HANNAH GREEN: Yeah. But I felt like the last two events it was a little bit different, probably not as tough a field. So to come back to LPGA and not have the best first round, I'm just happy with today's round.

**Q. Yeah, it's a different vibe obviously playing at home, which is lovely, but then it's a bit -- do you feel a bit more nervous?**

HANNAH GREEN: Yeah, it just feels like -- I mean, it is the biggest stage, but it just feels like there's more pressure to try and win out here. I had a good result last year, and then obviously having two wins already this season, you kind of put a little bit more pressure on yourself.

So, yeah, it was just really nice to have a good round today and jump up the leaderboard, even though I don't know where I am just yet.
