## HSBC Women's World Championship

#### Q. Day of survival out there? It's hot.

DANIELLE KANG: It is hot. But it's okay. I stayed in it today. Today was probably better golf than the last two days. I knew that I had birdies in me because I've been making a lot of birdies. But my goal was to make as least amount of mistakes as possible like I've been doing the last couple days.

Kept myself in it. That was my goal. And, yeah.

#### Q. Any spots that stood out to you?

DANIELLE KANG: What do you mean?

#### Q. As a good play or a good save or a spot that really helped key on the round?

DANIELLE KANG: Not really. I think I hit some good shots today. I had some good shots coming in. Keep giving myself birdie chances as much as I can.

It's hard to hit it close out here. And I capitalized on the par-5s that I needed to, except I did chip it into the hazard. And that was fun.

But I've been making mistakes like that here and there the last few days. So hopefully I tidy up tomorrow. It's been getting better day by day, in my opinion. And hopefully by Sunday I just have some good -- I play some good golf tomorrow.
