Quick Quotes

Q. Really well played today. I think you had a total of five birdies. Can you just take me through your round.

LEONA MAGUIRE: Yeah, get off to a really nice start, birdied the first, birdied the third, which is probably the toughest hole on the course. So that was really nice to get off to a fast start like that.

And then just steady, had a nice birdie on 8 and hit it in two, and then birdied 13 and 15.

Q. And slightly easier conditions, maybe less hot. Did you feel like that sort of helped your game today, or did you sort of just go with it?

LEONA MAGUIRE: No, I think I just played a little better today. Greens are probably a little bit more receptive. Still feel like I wasn't quite at my best this week. It was good, but there was a lot of maybes that left a lot of putts out there. And a lot of birdies could have gone either way.

But overall, it's nice to finish with the best round of the week and on the last day.

Q. And how have you found the week? Is there any highlights you're going to take forward into the rest of the season?

LEONA MAGUIRE: Yeah, I mean, I've really enjoyed the course. I think it's a really good golf course, and I think it's a really good test, some of the pins we got out there.

And, yeah, we're going down to the marina a bit tonight, kind of see the lights. So that will probably be a highlight of the week at the end.
