Quick Quotes

Q. Nice solid way to start your week here. Just evaluate that round. You recovered after like an early double, I think.

ARIYA JUTANUGARN: Yeah, it's getting much better this week, and have like more confidence even, like last week I thought really have good week, but I feel like everything start to get better.

Q. Did you feel kind of good coming here after last week, being at home for a little while?

ARIYA JUTANUGARN: Yeah, you know, even feel better when I don't have like pressure, nothing. So I didn't practice. So kind of like don't know how it's going to be.

Q. How did you adjust? The golf course conditions weren't obviously ideal, but played really well.

ARIYA JUTANUGARN: Actually, the golf course is in great shape. It's like no wait, everything is perfect.

Q. Greens, I heard, were a little -- little more -- not as soft as we might have seen them. Did you find that out there?

ARIYA JUTANUGARN: Yeah, I thought it was going to be really soft, but it's not. Actually, it's really dry.
