HSBC Women's World Championship

Q. I'm here with Andrea Lee after the first round of the HSBC Women's World Championship. Just walk us through your round today and maybe some of the course conditions you saw out there.

ANDREA LEE: Yeah, it was pretty windy out there. So I knew it was going to be a fairly tough day. Just staying really patient, hitting fairways, hitting greens and managed to birdie two of the par 3s. Just played really steady golf today.

Q. There's not a lot of low numbers out there, yours being one of the lowest. Was there anything out there in particular compared to the past years that you played here that you saw a difference?

ANDREA LEE: This year is only my second year, but I think last year, there was just a little bit less wind and I think the greens were a little bit more receptive. They are playing firm and fast this week.

So I feel like we can judge the distances a little better this week. Yeah, I feel like I've done a pretty good job with that.

Q. And what do you remember from being last year in Singapore and how has it been to return back?

ANDREA LEE: I love Singapore. I love being here. The people are so nice and the food is amazing and the shopping is even better.

Yeah, I just love coming back here and it's always exciting to play in Asia in front of some of these big crowds. Yeah, it's really exciting and I look forward to the rest of the week.
