## HSBC Women's World Championship

**Q. Leona, 2-under round today at the top of the leaderboard at the HSBC Women's World Championship. What can you say about the course conditions you saw out there?**

LEONA MAGUIRE: Yeah, I mean, I think there's plenty of chances if you hit the right shots. I didn't drive the ball particularly well today but gave myself a few chances and holed some putts and made a few birdies which is nice.

**Q. I heard there is a new bunker on 18. How did that maybe change your strategy on 18?**

LEONA MAGUIRE: Yeah, it means you can't hit it up the left side like we used to. So you're going to have to hit it right which makes that second shot a lot tougher, especially with the wind being off the right. It's definitely making it a tough finishing hole. Just kind of have to make your score when you get there.

**Q. What have you enjoyed the most about this tournament and being in Singapore?**

LEONA MAGUIRE: Yeah, Singapore is great. It's probably my favourite stop in Asia. It's very clean, people are friendly, lots of good food. Yes, it's hot and humid, but it's a nice place.

**Q. Still the beginning of the 2024 season. What are you kind of looking forward to for the rest of the year?**

LEONA MAGUIRE: I mean, big summer ahead with the majors and Solheim Cup and Olympics and all that. Feels like these first few are a bit of a warm up for them and then just trying to play as well as you can going into the summer.
