Quick Quotes

Q. Amazing round, how did you turn it around from yesterday from feeling so tired?

PATTY TAVATANAKIT: I rested. Honestly my allergies and my back are just like to the great at all this week so far. But I bounced back and I just looked forward, keep looking forward on what's ahead of me.

Q. Two amazing weeks, so the momentum can always carry you forward. The injuries, do they feel less sore when you're playing so well?

PATTY TAVATANAKIT: For sure. With adrenaline, adrenaline goes a long way in terms of carrying you ahead. But I feel like it's going to catch up at some point. So I'm just trying to rest as much as I can and there's a lot of golf left this weekend. I'm just going to try to prepare myself for that as well.

Q. You mentioned your back, is it anything in particular?

PATTY TAVATANAKIT: It's just overuse. It's been sore. It's been acting up a little bit, like even the last round last week. And this week, especially I took Tuesday off. I hit a couple balls and it just didn't feel the same. Especially with the longer clubs, like the driver and stuff. I'm just not loading as well as the first two weeks. So just got to play with what I have and see what I can do.
