### Quick Quotes

**Q. Third round at the HSBC Women's World Championship, 2-under today, bogey-free. How did you feel you played out there?**

PEIYUN CHEN: I feel I'm doing pretty well today because if I always have pressure, so if I'm under pressure, I don't do very well. Today, I played with Ariya, so she do what she need to do and I really learned a lot. Today I just want to be happy, and every shot commit, and I really did it.

**Q. You feel you really did it out there?**

PEIYUN CHEN: Yeah.

**Q. And how would you compare today's round to the last few days? You mentioned some rain you got caught in. How did that change how your round is going?**

PEIYUN CHEN: Driver is better. Iron is better. Everything is better. Just a lot of putts didn't go in. That's it. I think my greens in regulation is pretty good. So just couple putts, didn't get it.

**Q. And what's your mindset going into tomorrow with the fact that you're in the top ten right now? Does that change any thought process you have for tomorrow?**

PEIYUN CHEN: Today, I think two par 5s, I should go for it but I didn't do it because I didn't want to have a big number. So if tomorrow I have a chance, I will go for it.

**Q. How excited are you for the chance to potentially win?**

PEIYUN CHEN: This question I think a lot on the course.

**Q. You have thought about it a lot?**

PEIYUN CHEN: Yeah, because I really want to win with my first win as soon as possible because I took care of every shot, every swing, everything I need to do.

## HSBC Women's World Championship

So like way say today, just very happy to be here and I played well yesterday. If I can do it, I do it. If not, still have a lot of chance, I can go for it.
