Quick Quotes

**HSBC Women's
World Championship**

Q. Another good round today. Can you talk about what went well out there?

NANNA KOERSTZ MADSEN: I was just staying patient. A lot of pins were tucked close to the edges. So it was all about just trying to get them a little bit close but still stay on the safe side and make a couple of putts. Didn't make that many mistakes, so, yeah.

Q. You had a great week last week at Honda, too. Was there anything you worked on in the off-season that you feel like is showing in your game now?

NANNA KOERSTZ MADSEN: I was struggling a lot with my driver coming into these weeks, and I'm still not super confident over the ball. But it's working better this week. But I'm just doing the same thing. It's always the same drills that you're working on. So pretty much the same as I was working on last year.

Q. And obviously it's always nice to be playing golf in February. What are your goals for this season?

NANNA KOERSTZ MADSEN: I'd like to be in contention a couple of times. If you're going to win, there's a lot of about players. You need to luck out here, the girls are so good. But as long as I stay consistent and I try to put myself in position a couple times throughout the year, then I think I'll be pleased with that.
