HSBC Women's World Championship

Q. Tell us about your round today.

XINGTONG CHEN: I mean, it was a bit of a grind out there. Just trying to keep the game going and just keep being disciplined and keep shooting at greens. Just try to make the pars.

Q. After 36 holes, what are your thoughts for the next 36 holes here?

XINGTONG CHEN: I mean, it's looking, I don't know, I just hope that tomorrow will be a bit better than today because I don't think I had my A Game today. So hopefully with it being a bit better tomorrow, just making a few more birdies and a few less bogeys.

Q. What bits were struggling? What bits were you struggling with?

XINGTONG CHEN: It's just general, like I had a few like weird ball-striking shots, and then wasn't making the putts. So just very general, yeah.
