## HSBC Women's World Championship

**Q. You had another great round today. Can you talk about what's going well?**

HAERAN RYU: Today, my neck was so bad and I cannot turn it around, it's so hard, my neck.

But yeah, golf is not perfect. I just think about it, just hit the fairway and the green. Yeah, that's good for me. There's a lot of birdies, and yeah, I'm so happy.

**Q. Two rounds to go. What will be your focus over the next two?**

HAERAN RYU: The first time I play well on this good, I'm just so excited. Yeah, this golf course, like some holes are tricky and some holes you can get strong -- you can get a birdie. I just want to be more calm and be playing well and make a lot of birdies hopefully tomorrow.

**Q. Do you think that the pin positions were a little bit easier than yesterday?**

HAERAN RYU: No. Every pin is so hard. Every hole is too hard. I just want to do more. Make many easy birdie for tomorrow, last day.

**Q. You mentioned this morning, you had some pain in your neck. Was there anything you did to try to relieve the pain?**

HAERAN RYU: Now is hard but it's better. I'm so lucky because I can do swing and I hit it hard. So hope tomorrow better than today.
