HSBC Women's World Championship

Q. Joining me after the third round of the HSBC Women's World Championship is Haeran rue. Another good round today. Solidly in contention. How did it feel out there?

HAERAN RYU: Yeah, score is pretty good but I think the score is not good today because I got a lot of birdies and I had a lot of mistakes on the green. But yeah, have one more day.

Q. What do you think was happening when you were dropping shots? What was going through your mind?

HAERAN RYU: My neck is still not good. I just want to go straighten my iron and my driver and just hope not pain in my neck. I have a lot of good shots today, but it's a little bit -- I'm just thinking more positive because we have one more day and a lot of shots, I can play a lot.

Q. You're only one shot back, so for all your non-positive thinking, it's a very good position going into Sunday?

HAERAN RYU: I think so, too. Because maybe one shot is lead is more pressure and more just -- yeah, I'm behind one shot, and I'm just more in a strong place.
