Quick Quotes

Q. Joining me after the first round of the 2026 Honda LPGA Thailand is Jeeno Thitikul. Great round today. How did it feel?

JEENO THITIKUL: Feels great. Better than what I expect. I mean, like the result-wise -- not just the score, but I mean, the shot, the balls that have been going to the pin, to where I aim is kind of better than what I thought. That's why I think I keep it on track.

Q. You played in this event for the first time at 14. Now you're up there in contention. You have a whole crowd behind you. How different does it feel compared to almost ten years ago?

JEENO THITIKUL: I know. I couldn't believe like time flies so fast. I mean, yesterday I just sitting on the coach in the hotel room and imagine I couldn't believe how far that I have been come from 14 to now. Tomorrow going to be 23 now.

It's just grateful for everything that I really put the work in and it just pay off. And then also I think they should be happy on not just me doing, but all the Thai girls doing out there on the Tour.
