Quick Quotes

Q. Joining me today after the first round of the 2026 Honda LPGA Thailand is Chanettee Wannasaen. Could you talk about what won't well during your round today?

CHANETTEE WANNASAEN: Today I play really well on the approach shot. Like 17 green I think, 17 or 16 green is pretty good today.

I just had like three-putt like couple hole. It's actually not bad because I can make like quite long putt a couple hole, too.

Then, yeah, overall it's pretty good today.

Q. How does it feel to be playing here in front of your home crowd in Thailand?

CHANETTEE WANNASAEN: Hot. Yeah, it's always hot. Always same weather. But like you know Honda there is a lot of fans and spectator, and today is a lot of spectator.

It's just kind of like play in my home, play in my country. It's pretty fun and like have a lot of memory in this course.

Q. And then looking ahead to the rest of the week, what's going to be your focus?

CHANETTEE WANNASAEN: Actually because we just start the season and this week is my third tournament, so it just start, so I think I just have to forget about like what I improve on the last week -- last year, improve like offseason, because last year I play really good, start really good, but finish and end of the year is not like good; I'm really sad about that.

Just right now just coming back, like same person, so just like stay positive.
