Quick Quotes

Q. Joining me after the second round of the Honda LPGA Thailand is Jeeno Thitikul. Jeeno, another unbelievable round. How did you feel out there today?

JEENO THITIKUL: Feels great. You know, feels great having really good momentum from yesterday and carry on to today. And then just, you know, like I said yesterday, it's just better, more than I expected.

Q. Obviously your birthday today. Happy birthday, 23 today. We heard that the crowds were out there singing a birthday song to you. How was that?

JEENO THITIKUL: They're going to sing just only birdie putts. Just only birdie drops and then they all sing it.

Obviously nice to have a lot of birdies today, which is hear a lot of happy birthday. The most time in my life.

But obviously it's just really good memories that I have created with them on my birthday on the golf course again.

Q. You're bogey-free through 36 holes. How are you managing the course out there?

JEENO THITIKUL: I think we play together a lot, so we know where to miss, where not to go. And then I think for the past two days I have been in a good position where I just want my ball to be.

So if we can put the ball where it's kind of save, not too risky, should be not a big problem with this golf course.
