## Allisen Corpuz

### Quick Quotes

**Q. Joining me after the third round of the Honda LPGA Thailand is Allisen Corpuz. Allisen, you played great golf all week. 5-under today. What is going well for you out there?**

ALLISEN CORPUZ: Yeah, really just been hitting the ball well. I have had a lot of really good birdie looks every day, and been able to convert them.

Drove the green on 15 today and had a two putt birdie there, and I think just the more I come back to this course year after year I just kind of learn it a little better and learn where your birdie opportunities are.

**Q. At course like this where you know that people are going to go low what do you focus on with your game?**

ALLISEN CORPUZ: I think really just trying to keep it to my own game and kind of not let all of that become noise.

I mean, like you said, everyone is going to be making birdies out here, so it's really just going out there and trying to make as many as I can, too.

**Q. Heading into the final round, are you paying attention to the leaderboard? Are you looking for the chase? Do you like being in that position?**

ALLISEN CORPUZ: Yeah, I love it. I'm really not a leaderboard checker but I love just being in contention and having the opportunity it throw up a nice Sunday round.

Yeah, I'm really excited for it.

**Q. This is one the first events of the season; what are your personal goals for the season?**

ALLISEN CORPUZ: Yeah, I think just consistency throughout the season. The last few seasons I feel like I've always had a stretch where the golf isn't quite where I would like it to be, so off to a good start. Looking forward to carrying the momentum forward.
