Quick Quotes

Q. All right, joining us after the final round the Honda LPGA Thailand is Hyo Joo Kim. Great start to the season. How does it feel to be out here and in the mix?

HYO JOO KIM: (Through translation.) I trained really hard during the winter and I think I was able to come out in Thailand. And I think my length definitely grew. My hits went further and that was able to come out.

So I think the season will be meaningful.

Q. Are there any specific takeaways from this tournament that you'll use throughout the season?

HYO JOO KIM: (Through translation.) I think the most important thing is my shot length, and I think that grew, so I'm going to take confidence within that.
