### Quick Quotes

**Q. Just how much does it mean to you to be competing here, to have earned a spot into a major championship with the year you've been having to kind of get a taste of this feel?**

MORGANE METRAUX: Yeah, I mean, it was really fun to be first this close to home. I have so many friends and family come over and watch.

And, yeah, playing the one event, the very first event I came to watch as a little girl, so that was pretty cool. I think I'm in a good spot for the rest of the season. A little bit frustrating how couple holes cost me a lot today but overall I think my game is really close. Looking forward to the rest of the season.
