Quick Quotes

Q. Pajaree, another fantastic round. Two 65s on the trot. How happy are you with that one?

PAJAREE ANANNARUKARN: Yeah, obviously I really played solid golf first two days and really happy with how I play.

Q. And tell us a little bit about the strategy out there today. Were you really having to think your way around the golf course?

PAJAREE ANANNARUKARN: I didn't change any strategy out there. I mean, I stick to what I play the first round and, yeah, that worked out today. It's all good.

Q. Tell us a little bit about the buildup to this tournament, last week as playing part of a team. Have you been feeling confident in the run-up?

PAJAREE ANANNARUKARN: I think that's build a lot of momentum coming into this week. It's a major week and I'm just really pleased with my game and just focusing on my game and just do my best out there.

Q. And going into the weekend will you change anything in terms of your strategy, or are you going to go full steam ahead?

PAJAREE ANANNARUKARN: Definitely will try my best to give me a lot of chance for birdies out there, and just going to stick to my plan and just do my best.

Q. And just finally, we have to ask about what you've written on the golf ball. I saw that is said, Good luck. How long have you done that?

PAJAREE ANANNARUKARN: Ever since I started playing in golf tournament pretty much, when I was 12 or 13.

Yeah, it said good luck and my name on the other side. Yeah, that's been a really good -- I mean, good luck charm for me.
