Quick Quotes

Q. Charley, good day today; 67. You had three twos on the back nine, including that two at 11. When you look at your results in the major championships, we tend to think of The Chevron Championship where you contended, had a couple good weeks at KPMG Women's PGA. But you seem to have unlocked something here this week to play well.

What have you unlocked here at Evian?

CHARLEY HULL: I don't know. I feel like quite relaxed on the golf course. The way the golf course is playing I think it kind of suits me. I like it. I'm just in a good headspace at the minute.

Q. Have you taken a look at that leaderboard? If so, what do you think you need to do tomorrow?

CHARLEY HULL: I think need some more tees. Yeah, Brooke looks like she's having a good day. Yeah, I just think I just need to keep patient. Anything can happen around this golf course, so just keep on making birdies.

There is plenty of birdie opportunities out there.

Q. Let's go back to that 11th hole. Talk us through that second shot.

CHARLEY HULL: Yeah, think I had -- I think it was 98 yards, so just hit a full sand wedge a little bit right of the pin, spun it off the slope, and went in the hole.

I wasn't quite sure whether it went in because the crowd was like, it's gone in, but I don't know, I just didn't want it to be like a couple feet away and then celebrate like it went in.

But I got up there and it was in.

Q. Great moment for you. Wish you all the best tomorrow. Thanks.

CHARLEY HULL: Cheers, thank you.
