Quick Quotes

Q. The progression continues, the state of mind continues also. Tell me about your attitude today.

CARLOTA CIGANDA: Yeah, I mean, I think 4-under, no bogeys, that's always a great round. I would have liked to make a couple more birdies at the end with the two par-5s, but I made some good saves. I didn't take advantage today of par-5s.

But no bogeys, great shots, made some good shots on the par-3s, and I think it's good. I'm very consistent. 4-under each day.

Q. I understand the other part is you are dealing really well with frustration, because putts are not really going in all the time.

CARLOTA CIGANDA: Yeah, I mean, think it's a tricky course. I don't think it's easy to make putts here. I was just trying to be patient out there. I'm playing good, so I think I'm hitting good enough shots that I'll have myself some opportunities out there.

So just trying to be patient and take advantage when I can.

Q. We always talk about you experience and you been around a long time. Putts sometimes don't go, putts sometimes go, so maybe tomorrow is the day.

CARLOTA CIGANDA: Yeah. Hopefully tomorrow they go in and I can get a low round and be up there.

Q. What is the key? I mean, it's a tough leaderboard now with Brooke.

CARLOTA CIGANDA: Yeah, I haven't checked, to be honest. I don't even know.

Q. She's 17-under right now.

CARLOTA CIGANDA: Yeah. It is what it is. She's been playing really good the first two days. I think I have a chance tomorrow if I keep playing the same. Hopefully I can have a good round and be up there.

Q. Last thing. We were talking in Spanish yesterday about the fact that you feel good outside of golf and how it's showing in your golf.

CARLOTA CIGANDA: Yeah, I love Spain, so I've been in Spain for the last three weeks. I love being with my family, being home. I love that. And, yeah, I'm just pleased with myself and having a good time.
