## Nelly Korda

### Quick Quotes

**Q. All right, here with Nelly Korda. Even par round today. I know probably not as low as you wanted to go on moving day; still hanging around. Anything can happen on this golf course. Just kind of assess your round today.**

NELLY KORDA: A little disappointing honestly. I didn't hit it very good. Didn't really putt great. Made some really good saves here and there, but overall a little bit of a disappointing day.

I kept it at even par, and we'll see what tomorrow brings.

**Q. I guess what worked well for you today? What did you do that you were really proud of to grind out that even?**

NELLY KORDA: I mean, I was over par for a majority of the day, so just to grind back to even probably was my goal. I tried to get one or two birdies coming in.

Kind of got a little screwed on 17. I was not expecting my ball to be there when I walked up onto the green.

That's Evian. That's golf. You just got to take the punches occasionally.

**Q. I know you've been talking about jet lag all week. Let's be honest, you've been in contention in major championships in the last three you've played, and you've only been back for five starts. Where is your energy level now?**

NELLY KORDA: It's fine. It's pretty good. I'm making sure that I'm staying focused on making my recovery a top priority.

**Q. Heading into tomorrow, obviously some ground to make up. What's the game plan?**

NELLY KORDA: Trying to get my shit back together. Kidding.

Just honestly just trying to stay a little bit more consistent off the tee, be a little bit more aggressive. Not even

aggressive, a little smarter on the par-5s.

Hopefully drain some putts.
