Quick Quotes

Q. Tell me about this last hole and what went especially well there.

LINN GRANT: Yeah, I mean, it was a good day. I made very few mistakes, which is very nice.

Just to finish it off with three birdies the last four was very nice. Just told Pontus on the last couple holes, three more and we're done. Three more birdies and we can go.

Q. What do you take from your first Evian? Were there things you enjoy the most here, both golf and outside of golf?

LINN GRANT: I mean, I love the course. It's beautiful. Also like that you can score really well, but it's also difficult if you're having a bad day so to say.

So I think it's a good golf course, and just to be in Evian is really nice. The weather is beautiful and we just had a great week.

Q. Coming back, you played in Scotland, two times in Scotland?

LINN GRANT: Yes.

Q. (Indiscernible - wind.)

LINN GRANT: Yes.

Q. How much do you like the links?

LINN GRANT: I like links. I think that more people enjoy this type of golf more, and I think just knowing that makes me excited to just go and play well.

So I've always like the links and having to maybe play a different type of golf. It's very nice.

Q. Have you played at Dundonald Links before?

LINN GRANT: Yes.

Q. (Indiscernible.)

LINN GRANT: No. I played the British amateur in '16. Did pretty well. But I like the course, what I remember at least.

Q. How about Muirfield?

LINN GRANT: Never played, no.

Q. Looking forward to that?

LINN GRANT: Yeah, I think so. I'm excited to play, and like I said, just to go out and play a different kind of golf will be nice.

Q. How do you assess your finish overall? How do you assess that performance?

LINN GRANT: I'm just very happy, happy with today. I feel like the last two days before that I've not struggled, but felt like I had more to give, and I think I got that out on the today, which I'm very happy about.

Yeah, I'm happy overall.
