Quick Quotes

Q. All right, here with Charley Hull. Really solid performance. 15-under. What did you find in your game that just worked so well for you this week?

CHARLEY HULL: I don't know. I feel like I've just had a bit of time at home, just chilled. I didn't like over practice. I just kind of kept it going.

I don't know, just feel happy at the minute, so I like the Europe swing.

Q. Of course you do. What was it today that helped you fire a low number and put yourself at the top of the leaderboard?

CHARLEY HULL: Well, my driving was a little bit iffy yesterday afternoon. Today, apart from the first hole, I got it going, got a lot better. Spoke to my coach right before I tee'd off. He gave me a few little things. Yeah, I felt good.

Q. Next couple weeks are in Scotland, a little bit close to home.

CHARLEY HULL: Yeah.

Q. How excited are you and what are you going to do to prepare for those two weeks?

CHARLEY HULL: Yeah, I'm super excited. Obviously I've not got the best record in links apart from I think it was 2014 British Open. That was probably my best in a British Open.

Last year I think I finished sixth in the Scottish. Yeah, hopefully can build some momentum on that. Just going to have some fun on some links and hopefully it treats me all right.

Q. Being in contention again, I know that's not a place that you've been recently, but obviously it's got to feel good.

CHARLEY HULL: Yeah, yeah. Definitely. I've had quite a good start to the season. Was in contention quite a bit.

I played a couple LET events, was in contention there.

Yeah, just feel good going into Scottish and British. Back in contention, especially in a major.

Q. For sure. Those LET events, you tend to play quite a lot of them. What does that do for and you your game?

CHARLEY HULL: It's good for confidence, especially when it's local. It's really good. I've got a flight to catch.
