Quick Quotes

Q. Tell me a little bit about what works especially well this week in a major like this.

ATTHAYA THITIKUL: Yeah, I mean, like making pretty about right now. I mean, like my approaching shot this week is pretty good. I mean like it's gave me a lot of chance to, you know, like make a birdie.

So, yeah, that's pretty much it for this week.

Q. Yeah. Anything you enjoyed especially about this week? Not just the golf, but also this tournament and being here this week.

ATTHAYA THITIKUL: I really enjoy, always enjoy being here in Evian. Like the views, and everything the people, the food, it's incredible. It's so amazing that like we have been here every year.

Q. What about the round today and that leaderboard? Like everybody is there in contention, no?

ATTHAYA THITIKUL: Yeah, I mean, this year it's so many people, like so many players making like low round, and I think it's because we know the course pretty well right now because we play every single years.

And then I think its softer than other years, so maybe it's the key why all the players can make it low.

Q. And we change completely. We go to Scotland, two weeks in Scotland. Links. What do you like about that and how do you prepare for the last major of the year?

ATTHAYA THITIKUL: I mean, I'm like not a big fan of links. I say it so many time that I'm not a big fan of it. I trying to beat the course. I trying to beat wind.

Yeah, I think the most important will be key next two week, it's just like the wind and how you can like be patient on the course.
