## Esther Henseleit

### Quick Quotes

**Q. Esther, very well done. Round of 4-under to start the week here. Started with a bogey, but after that, birdies for days. Talk me through your round.**

ESTHER HENSELEIT: Yeah, played well. I hit many fairways, and feel like that's kind of the key out here, when you don't hit it you always in trouble.

Yeah, I hit a lot of fairways and greens. I think I only missed maybe two.

So, yeah, just pretty easy golf really. I didn't hole any long putts or anything. Just had good short birdie putts. I missed couple chances coming in, but it was a good day.

**Q. And how is it being back in Europe and Evian?**

ESTHER HENSELEIT: I always love coming back to Europe. I saw my family last week, and, yeah, this really isn't too far from Germany, so the food is always good. The weather is good as well, so I enjoy being back here.

**Q. In terms of the challenge that this course presents, what is it like coming back to obviously a different course to what you get in the States?**

ESTHER HENSELEIT: Yeah, it's fun. I really like this course and I feel like every year I'm coming back I'm getting a bit better.

So it's a good challenge. As I said, just hit the fairways and you'll be fine. The greens are tricky, too, but they're rolling really nice, so you can have some chances and take advantage of that.

**Q. What's the game plan going into tomorrow?**

ESTHER HENSELEIT: Just the same as today. Just keep hitting fairways, hitting good shots into the green. Miss it, if you do, on the right side. Just do what I did today.

**Q. How have you felt that your game has been trending this season?**

ESTHER HENSELEIT: I've been playing well. Yeah, slowly getting better. I've seen some results which is nice, and putting some good rounds together, so I'm confident with my game. I feel really good out on the course so I'm looking forward to it.
