Quick Quotes

Q: How would you describe your first round at Evian?

SU JI KIM: I teed off in the first group. The weather condition was great and I think I was in pretty good condition myself, so I was able to finish with a strong play.

Q: How did you adjust to the weather conditions of the morning?

SU JI KIM: It was a lot chillier than I expected this morning so I played with a windbreaker on. But as time passed, the weather got nicer and nicer.

Q: What did you like about your own game today?

SU JI KIM: Overall, I think my feel for the shot and putting went well. I also think I was aggressive in the holes I needed to be and it led to a good result.

Q: What do you want to improve from today and continue your momentum?

SU JI KIM: Depending on the pin location tomorrow, just have to attack the pin well. I ended with a birdie putt today, so hopefully I can continue that momentum tomorrow.
