**Q. Esther, round of 67 to finish the week here at Evian. How do you sum up the week?**

ESTHER HENSELEIT: Yeah, it was nice to finish out with a good one today, especially after my rough start today.

And overall, I would say I played really well. The second day just played really tough and yesterday I just couldn't really get it going. Didn't hit my irons great.

Today was much better, and yeah, I'm taking a lot of confidence from this finish.

**Q. How was it adapting to the different conditions we've had across the week?**

ESTHER HENSELEIT: Yeah, this place is so tough when it gets windy, because you're always hitting into such small areas. You really need to keep it together and take advantage of the par-5s, but even they get tricky.

So, yeah. I managed it today. I mean, it's fun to play tough golf courses I think. It's great to battle it out.

**Q. Looking like it will be your best finish in a major. How much confidence does this give you going into the next stretch of big events?**

ESTHER HENSELEIT: Yeah, it's great to have this finish going into the next weeks here in Europe. As I said beginning of the week I feel really confident. I put a lot of work in over the last year to improve my game and compete in majors.

Yeah, I'm looking forward to the next three weeks.

**Q. What specifically have you done on the work to try and get yourself... (Wind interference.)**

ESTHER HENSELEIT: Just when I started playing out here I realized, yeah, I need to work on my short game, putting, get better in every part of the game.
