Quick Quotes

Q. Brooke, you always play great here. Six top 25s in eight starts. What about this course brings out the best in you?

BROOKE HENDERSON: You know, I love coming here to France. The atmosphere, the people are amazing. This course is so beautiful and a lot of fun to play.

I feel like we have a good strategy for it now which is exciting. To finish I think T2 this year is amazing after coming off the win last year.

I'm really proud of that. Celine played amazing, so really happy for her too.

Q. What about your game are you most proud of this week?

BROOKE HENDERSON: I feel like things are really coming together. It's been a little bit of up-and-down year so it's really nice to finish strong this week.

Q. Brooke, how much can you use a finish like this as we head off, and the next time we see you in the British Open?

BROOKE HENDERSON: Yeah, it feels great to be back in contention on the final groups in the weekend on a major championship. That's all you can really ask for. I feel like the game has been trending for a while so nice to see some good results.

Looking forward to an off week this week and coming back at the British and hopefully having a similar result.
