### Quick Quotes

**Q. Nice way to start your title defense here. Just evaluate your last couple rounds and how you're feeling.**

CELINE BOUTIER: Feeling good. I feel like my game has been very solid the last two days. I definitely feel like my long game has been kind of carrying me, and I feel like I could have shot a few strokes lower yesterday and today so that's pretty positive.

Because I can improve. I think just a few putts here and there and we'll be in good position.

**Q. What have you been seeing in your game that's been working so well the last couple rounds to get off to a solid start and have some freedom to go low over the weekend?**

CELINE BOUTIER: I think I had a decent amount of birdie chances, which is not always easy here, especially with the rough. It's definitely cost me a few points yesterday. But thankfully I had quite a few shots from the fairway, and so I feel like that help me out quite a bit.

**Q. Walking around here, is it still pretty fresh in your mind where you were at this time last year?**

CELINE BOUTIER: Definitely maybe the first few practice rounds just because it was my first time playing and seeing the course again.

But ever since the tournament started, maybe after a few holes, I kind of focus on my game and what I had to do. It's a pretty big challenge.

**Q. And then next two rounds, what's the mindset?**

CELINE BOUTIER: Try to probably do the same and maybe have a few more birdies, rolling few more putts. That would be helpful.
